

Romsey Abbey C of E Primary School

2016-17 PE & Sports Grant Strategy

Introduction

The government is providing £150 million per annum for the academic years 2013/14, 2014/15, 2015/16 and 2016/17 to provide funding for primary school sport. The funding is being jointly provided by the Departments for Education, Health, and Culture, Media and Sport, with the money going directly to primary school headteachers to spend on improving the quality of sport and PE for all their children. Each school will receive £8,000 plus an extra £5 per pupil each year for the next two years. Here at Romsey Abbey, that will mean we receive around £8,865 a year. Schools must spend the sports funding on improving their provision of PE and sport, but have the freedom to choose how they do this. However, the premium must be used to fund additional and sustainable improvements to the provision of PE and sport, for the benefit of the pupils and to encourage the development of healthy, active lifestyles.

When people leave school they often stop playing sports, which means people can't fulfil their sporting potential, and can lead to a less healthy lifestyle. We want to get more people playing sport safely from a young age, and help them keep playing sport throughout their life, no matter what their economic or social background. (Statement from Department for Education – Getting more People Playing Sport Policy).

Romsey Abbey Primary School

Romsey Abbey Primary School has a commitment to physical education which inspires all pupils to succeed and excel in competitive and cooperative sport as well as other physically-demanding activities such as adventurous outdoor pursuits. Our curriculum provides opportunities for pupils to become physically confident in a way which supports their health and fitness. There are opportunities to compete in sport and other activities which build character and help to embed values such as fairness and respect. Children at Romsey Abbey Primary School are given opportunities to take part in, and learn the skills of, a wide variety of sports. Throughout the year, children are taught the skills to compete in; football, netball, hockey, basketball and athletics. The winners of in-school competitions are then chosen to represent our school at local, county and potentially national level.

Our Year 6 sports prefects go on Bronze Ambassador training which teaches them to set up lunch time sports clubs. These clubs are then run by the sports prefects at lunchtimes to help promote a love of sport and exercise in every child within our school.

Overall objectives

- To increase the participation of pupils in quality physical activity.
- To provide quality teaching in PE lessons, both by the sports coach and the class teachers that are required to teach PE.
- To increase the pupils' participation in inter-school competition in all age-groups.
- To identify talent and to signpost families to local clubs for further development.
- To ensure that the PE curriculum progresses children into well-rounded athletes.
- To ensure that quality resources are in place to deliver the PE curriculum to a high standard.
- To promote physical activity and healthy lifestyles throughout the school.

Ensuring future sustainability

- Links made with local primary and secondary schools can be sustained in the long-term as schools begin to work more closely together more routinely to organise level 2 competitions.
- The purchase of new high-quality equipment will support future physical activity long after its purchase.

Allocation

Allocations for the academic year 2016/17 are calculated using the number of pupils in Year 1 to 6 and those age 5 in Year R, as recorded by the January Census 2016.

This funding must be used to fund improvements to the provision of PE and sport, for the benefit of primary-aged pupils in the 2016 to 2017 academic year so that they develop healthy lifestyles. Here at Romsey Abbey, that will mean we receive around £8,865 a year.

Schools can choose how they use the funding, for example to:

- hire specialist PE teachers or qualified sports coaches to work with primary teachers during PE lessons
- support and involve the least active children by running after-school sports clubs and holiday clubs, e.g. the Change4Life clubs
- provide resources and training courses in PE and sport for teachers
- run sport competitions or increase pupils' participation in the School Games
- run sports activities with other schools

Schools must use the funding to make additional and sustainable improvements to the quality of PE and sport they offer.

This means that you should use the premium to:

- develop or add to the PE and sport activities that your school already offers
- make improvements now that will benefit pupils joining the school in future years

Outline of 2016-17 PE & Sport Grant Projected Spend

Area of Expenditure	Projected Cost	Reason for Expenditure	How we will measure outcomes (what we will expect to see in July '17)
New resources and equipment	£600	To replace or improve current equipment that is used weekly.	<ul style="list-style-type: none"> - Higher quality PE lessons consistently delivered. - Class teachers can teach the PE curriculum fully. - PE curriculum needs met with wide range of equipment for different sports which link to the Level 1 and 2 competitions within our own curriculum.
Sports Day	£250	<p>To provide all children with an opportunity to compete in a school-wide Level 1 competition.</p> <p>To provide each child an opportunity to compete in a range of field and track events.</p> <p>To pay for a county advisor in Sport to run the event.</p>	<ul style="list-style-type: none"> - Teacher's tracking of progress and summative assessments will show improved year-end progress from last year.
Hiring external qualified coaches to run bikeability lessons.	£2,740	To provide an opportunity to learn how to ride a bike safely. This begins with the Year R curriculum and the Sports Grant is used to pay for trained, qualified coaches in Year 1, 3 and 6.	<ul style="list-style-type: none"> - Children's biking times within their biathlon competition will improve from last year.
Hiring external qualified coaches to run swimming lessons.	£2,000	Incorporates the swimming coaches and the pool lane rental at Romsey Rapids. To provide opportunity to learn to swim competently and confidently, using a range of strokes, in Year 2 and Year 4. In Year 5, children that have not achieved national expectations of swimming 25m unaided are taken for additional sessions to ensure they can swim by the time they leave our school.	<ul style="list-style-type: none"> - Teacher's tracking of progress and summative assessments will show improved competence and confidence when swimming. - Children's swimming times within their biathlon competition will improve from last year.
Biathlon Day	£1100	<p>To provide all children with an opportunity to compete in a school-wide Level 1 competition.</p> <p>To provide each child an opportunity to compete in a running and biking or running and swimming.</p> <p>To pay for Personal Best Education to run the event ensuring children are safe, secure and achieve the best they can in each event.</p> <p>To rent the pool lane rental at Romsey Rapids.</p>	<ul style="list-style-type: none"> - Teacher's tracking of progress and summative assessments will show improved year-end progress from last year.
Sports Day and Triathlon Medals	£656	To ensure all children receive a medal for competing, not just taking part, in our Sports Day and Triathlon Day.	<ul style="list-style-type: none"> - An increase in enjoyment and participation in this and similar events.

Total spend is £7356 for this financial year. The lower amount is to accommodate financial decisions from the previous academic year that will be paid this year.

High quality CPD training has been completed within the last academic year but may be to be addressed again within the next academic year and perhaps this financial year.
