Apologies:

Item	Description	Action
1	PTA constitution Anything that entails changes to our PTA constitution requires an EGM The PTA often struggles getting enough volunteer helpers to facilitate events, linked to having lots of working parents etc. Our current constitution is that of a PTA. We don't want to change the constitution, but would like to expand the title of PTA to include 'friends' to widen the net to grandparents, other relatives, neighbours, local community etc. For large scale community events (such as the Fete) DBS not required, but would be needed for smaller internal events and activities, to which the safe guarding of all the school's children is vital.	
2	Vote: all in favour, motion carried.	
3	MP to obtain agreement with the Charity Commission and then certify change with the Parentkind Constitution.	MP
