Monitoring Visit Tuesday 6TH March 2018

Dear Parent,

Yesterday we had a monitoring visit from Hampshire County Council nearly a year on from Ofsted when we were classed as Requiring Improvement. This went really well and we are pleased to tell you that they feel we are on a secure trajectory to be good at our next inspection (due March 2019). Hampshire will continue to support us on our journey. We would like to thank you for all of your support over the last year. Please continue to update us on areas you have questions about but also on what you feel we are doing well.

Julie-Anne Palfrey
