

Digging Deeper

For a closer look at school life
Friday 24th September

Pupil Voice: A group of our super Year 6 children spoke to the whole school this week about the Buddy Bus Stop project that they have set up to help those children who might be feeling sad, worried or lonely during breaktime. Here is Evie, one of this caring team, to explain more:

"The Buddy Bus Stop is a safe place on our school playground for all children to sit at if they are feeling lonely, upset or need a helping hand. We have eight brilliant buddies from Year 6 and everyday two of those buddies will be standing by the colourful rainbow bench to help you with whatever you need and to help you find a group of friends to play with!" Evie

Thank you to Evie and the team for setting this up and helping to make our school an even happier, friendlier place to be.

Collective Worship this week: Walking with Forgiveness

This week in collective worship we explored our Christian value of walking in the footsteps of Jesus with **Forgiveness**. Reverend Sally from the Abbey joined us on Thursday to share what Jesus said to the disciple Peter when Peter asked him how many times he should forgive someone who has upset him. Peter thought he was being very generous and merciful when he suggested seven times might be about right but Jesus said not seven but seventy x seven. Jesus meant that we should always forgive others because we ourselves have been forgiven so much.

In the Lord's prayer it says:

"Forgive us our sins as we forgive those who sin against us" Matthew 6:12

Thinking Deeply Question: What happens when we forgive someone?

Have a think about our thinking deeply question with your child/children. I wonder what pearls of wisdom they might share.
